Social Signals are a proven direct & indirect form of increasing your Search Engine Optimization (SEO) and Search Engine Ranking Results (SERPs) easily, and quickly. Using these methodologies will only increase their benefits to your business now and in the future.

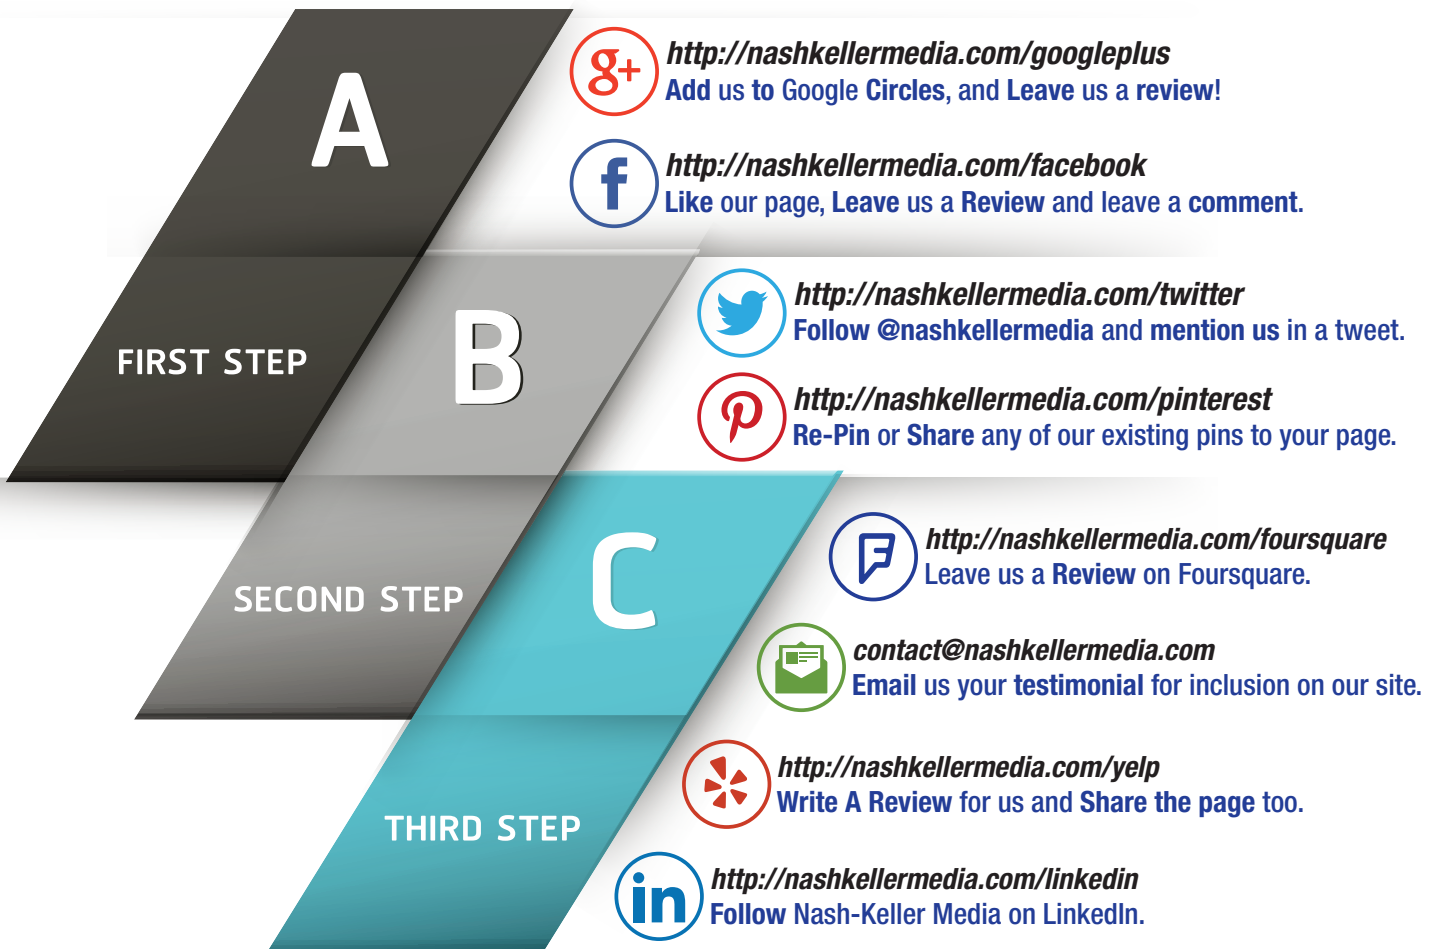

What we're asking you to do is to add Nash-Keller Media to your 'social circles'. This will not only benefit us, but will benefit you by being associated with us and our other clients, friends and business associates. Increasing your 'social worth' just by clicking your mouse a few times and writing a couple short reviews. Easy, huh?

After you've completed all of the below steps, let us know right away and we'll create a similar branded document just like this one for you to give out internally, or to your own clients to have them add you to your own 'social circle', with the same benefits for them, and for you.

THIS WILL REQUIRE ACCESS TO ONE OF THE MAJOR SOCIAL NETWORKS. IF YOU NEED AN ACCOUNT, CREATE THEM HERE;

 <https://accounts.google.com/SignUp>    <https://www.facebook.com>    <https://twitter.com/signup>

THEN CONTINUE ON WITH THE STEPS BELOW, VISITING EACH URL AND PERFORMING ALL THE STEPS **IN BLUE** WRITING ALL REVIEWS SHOULD BE COMPLETELY UNIQUE, AND DO NOT NEED TO BE VERY LONG, JUST HONEST!

FOR OPTIMAL RESULTS WE RECOMMEND POSTING ON MONDAY, WEDNESDAY AND THURSDAY AT 9AM, 12PM, 3PM, OR 6PM EST
